

Date: 01-Sept-2025

To Whom It May Concern

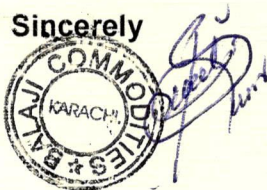

This is to certify that **Architect YOUSUF**, representing **KHAIL ASSOCIATES**, has rendered professional services to our organization in the area of building construction and Architectural design.

During his engagement with us, he was actively involved in the design development, execution, and overall supervision of multiple building projects. His responsibilities included Architectural planning, coordination with site teams, resource and material management, and ensuring adherence to relevant engineering codes and safety standards.

Architect YOUSUF has shown strong technical expertise, effective project management skills, and the ability to complete assignments within defined timelines while maintaining high-quality standards. His professional approach, dedication, and problem-solving capabilities were commendable.

We found him to be sincere, dependable, and proficient in his field, and we have no hesitation in recommending his services. We wish him all the best in his future professional pursuits.

Sincerely
