

To Whom It May Concern

This is to certify that **Architect Yousuf**, representing **Khail Associates**, has successfully provided professional services in the field of architectural design and construction management for our organization.

During his engagement, he was responsible for the planning, coordination, and supervision of various construction projects. His duties included architectural design development, coordination with consultants, material planning, site supervision, and ensuring compliance with engineering standards and safety regulations.

He has demonstrated excellent technical expertise, sound judgment, and strong leadership skills. His ability to manage projects efficiently and deliver within stipulated timelines while maintaining high-quality standards is highly commendable.

We found him to be sincere, reliable, and dedicated to his profession. We wish him continued success in his future endeavors.

 Sincerely,
