

SURIA ENGINEERING

REF: SF-KA-04/26-001

DATE: 25th April 2026

TO WHOM IT MAY CONCERN

This is to certify that **Architect Yousuf**, representing **Khail Associates**, has successfully rendered professional services in the field of construction and architectural design for our organization.

During the course of his engagement, he was entrusted with the planning, execution, and supervision of various building projects. His scope of work encompassed architectural design coordination, material planning and management, site supervision, and ensuring full compliance with engineering standards, approved specifications, and safety regulations.

Architect Yousuf has consistently demonstrated outstanding technical expertise, strong leadership qualities, and the ability to manage projects efficiently within stipulated timelines while maintaining high standards of quality. His proactive approach, attention to detail, and problem-solving capabilities have been highly commendable.

We found him to be a reliable, competent, and dedicated professional with a strong commitment to excellence. His contributions have been valuable to our organization.

We wish him continued success and growth in all his future endeavors.

Best Regards,
FOR SURIA ENGINEERING
